PVP Product Spotlight

Our Pennsylvania Story is our Pennsylvania Studies program designed specifically for the 3rd Grade Classroom, but flexible enough to be used in the 4th Grade.

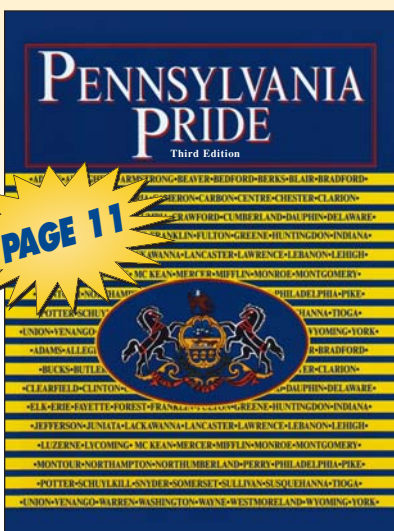

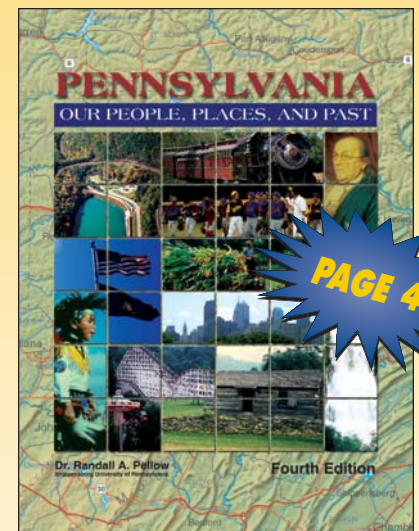

Each lesson in this title's colorful narrative is presented on an easy-to-read two-page spread, introducing students to the geography, history, and government of our great state. Students will learn about our state's rich history through personalities such as William Penn, Ben Franklin, and Harriet Tubman.

A new skills-based *Student Activity Book* and complete *Teachers' Resource Binder* are now available for the program. Additional student activities also are available online.

Pennsylvania: Our People, Places, and Past is our flagship basal program for elementary students. Custom maps, biographies, and cross-curricular connections complement this program's strong focus on the geography, history, and government of Pennsylvania.

This **Newly Revised** full-color text has a complete *Teacher Support* component, with standards correlation, student assessment, answer key, and activities on blackline master.

A *Student Activity Book* for skills reinforcement and online student enrichment also are available.

Pennsylvania Pride is the perfect choice for Pennsylvania Studies at the Middle School or Junior High School level. The basal program covers 100% of the new state standards.

Custom illustrations, critical thinking activities, and practical examples used throughout the program help demonstrate the diverse geography and rich heritage of our state.

The hardcover text is supported by a *Student Activity Book* and a *Teacher's Resource Binder*, which includes a *Teacher's Guide* and student assessment.

New Softcover 3rd/4th Grade Pennsylvania Studies Program

2008 Copyright!

Our Pennsylvania Story

by Dr. Randall A. Pellow
and Lucille Wallower

This new and exciting full-color text is standards based and designed specifically for the 3rd Grade Classroom. *Our Pennsylvania Story* begins with a strong emphasis on the geography of our state, including climate and wildlife, cities and transportation, waterways and landforms. Our government and state symbols are also introduced.

Students will learn about Native Americans and their role in Pennsylvania's heritage, and also will enjoy the personalities from our state's rich history, such as William Penn, Ben Franklin, Betsy Ross and Harriet Tubman.

Program highlights include:

- Developed specifically for 3rd Grade
- Engaging, highly readable narrative
- Colorful maps and illustrations
- Standards based
- Inclusive of History, Geography, Civics and Economics
- State symbols
- Biographical sketches
- Teacher Answer Key

LESSON 1

Our State

Get To Know Me

1. country	2. states	3. oblong	4. wavy	5. eastern
6. boundary	7. south	8. north	9. west	10. border

Find Me On The Map (On Page 2)

1. United States of America 2. Pennsylvania

You live in the country of the United States of America. It is a country made up of 50 states. The state you live in is called Pennsylvania.

Look at the map of Pennsylvania on the next page. See the shape of your state. It is an oblong shape. Look at the upper left corner of Pennsylvania. See the extra piece of land? That piece of land is often called the "chimney corner" of Pennsylvania. On the edge of this piece of land is Lake Erie. It is a big lake. Lake Erie is one of the five Great Lakes of the United States.

Look on the right side of the map of Pennsylvania. That wavy line is the Delaware River. The Delaware River makes the eastern boundary line of Pennsylvania.

Across the Delaware River is the state of New Jersey. To the south of Pennsylvania are three states. These states are West Virginia, Maryland, and Delaware. To the north of Pennsylvania is the state of New York. To the west of Pennsylvania are the states of Ohio and West Virginia.

Where do you live in Pennsylvania? Do you live in a city? Do you live in a town? Or do you live in the country? Find the county where you live on the map of our state on page 3.

Sailing on Lake Erie

Lake Erie is used for recreation. Sailing, fishing, and swimming are some of the water activities. Lake Erie is also used for shipping goods to other places.

Our Pennsylvania Story

Lesson 1: Our State

Use the map of Pennsylvania above. See where the states that touch, or border, Pennsylvania are located. Find the Delaware River. Now find the chimney corner. Also find the following states: Delaware, New Jersey, West Virginia, Maryland, New York, and Ohio.

Fun For You

1. Use the words in the word box to write the correct word in the space below. One word will not be used.

Delaware	Maryland
north	oblong
Ohio	semicircle
West Virginia	

a. New York is _____ of Pennsylvania.

b. Pennsylvania is _____ in shape.

c. Delaware is the _____ state near Pennsylvania.

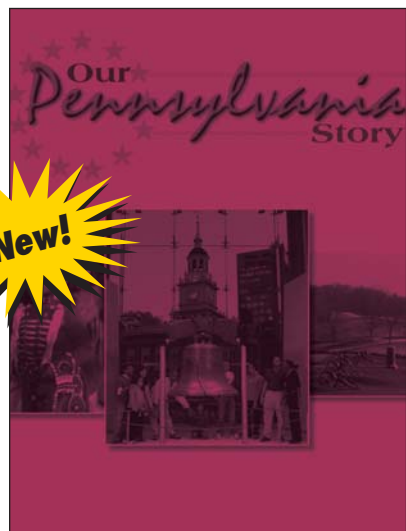

d. _____ and _____ are to the west of Pennsylvania.

e. New Jersey is across the _____ River from Pennsylvania.

OUR PENNSYLVANIA HERITAGE

CORNELL
and
ALTLAND

Our Pennsylvania Heritage

by William A. Cornell
and Millard Altland

Our traditional Pennsylvania history book provides a complete history and civics program for the **secondary** student, with the versatility to adapt to any curriculum.

Our Pennsylvania Heritage begins with a view of what the state of Pennsylvania encompasses today, in terms of both the land and the people. With an eye toward comparison, the book next goes back to the period of pre-state history, explaining the various Indian cultures of our area and the introduction of the settlers from Europe. The state's development is then traced down to the present day, always stressing the important cultural aspects of history. The last section of the book explores community life in Pennsylvania today, studies the structure of the local and state governments, and discusses the responsibilities of each of us as a Pennsylvania citizen.

Each chapter ends with meaningful questions, activities, map studies and ideas designed to inspire individual thinking and to form intelligent opinions.
